CDC has agreed to make a loan (the 504 Loan) to Borrower and Co-Borrower, if any (Borrower) for purposes of financing the Project described in the "Authorization for Debenture Guarantee (SBA 504 Loan)," as amended (the Authorization). The 504 Loan will be funded by a debenture issued by CDC and guaranteed by the U.S. Small Business Administration (SBA). One of the conditions for the 504 Loan is that Interim Lender executes this Interim Lender Certification. Interim Lender acknowledges that CDC will rely upon this Interim Lender Certification in making the 504 Loan and that SBA will rely upon this Interim Lender Certification in guaranteeing the debenture.

Interim Lender certifies, to the best of its knowledge, information and belief, that:

1. The Interim Loan in the amount of \$ _____ has been fully advanced except for \$ **0.00** _____, which will be escrow until completion of the Project.
2. The Interim Loan has been disbursed in reasonable compliance with the Authorization.
3. Borrower has contributed to the Project the cash, land or other property required by the Authorization.

4. If the Interim Loan includes construction financing, the Project has been completed in accordance with the final plans and specifications.

5. Project costs overruns, if any, have been paid by Borrower with cash, representing additional injection of equity; or the proceeds of a separate note secured by additional collateral which is not a part of the Interim Loan; or by other source described here: None

6. Interim Lender has no knowledge of any unremedied substantial adverse change in the condition of Borrower and Operating Company (if any) since the date of loan application to Interim Lender. Borrower is current on its payments to Interim Lender and not otherwise in default of the Interim Loan.

[Option 1: Use if Interim Lender is different from Third Party Lender referred to in the Authorization.]

___ 7. Upon receipt, Interim Lender will apply the Net Debenture Proceeds to pay off Interim Lender's share of Interim Financing stated in the Authorization. Interim Lender then will record or cause to be recorded releases of any recorded lien instruments (including without limitation mortgages, deeds of trust, deeds to secure debt, trust indentures, UCC financing statements) in favor of Interim Lender and securing the Interim Loan; will provide CDC with recorded copies of these releases; and will cancel, mark as paid, or release the note evidencing the Interim Loan, any guarantees, and all other documents securing the Interim Loan.

[Option 2: Use if Interim Lender is the same as the Third Party Lender referred to in the Authorization.]

7. Upon receipt, Interim Lender will apply the Net Debenture Proceeds to pay off Interim Lender's share of Interim Financing stated in the Authorization, and Interim Lender will reduce the principal balance of Interim Lender's debt to an amount not to exceed the amount of the Third Party Lender Loan stated in the Authorization or cancel the Interim Loan note, as appropriate, and will provide CDC evidence of such reduction or cancellation. As appropriate, Interim Lender will record or cause to be recorded partial or full releases of any recorded lien instruments (including without limitation mortgages, deeds of trust, deeds to secure debt, trust indentures, UCC financing statements) in favor of Interim Lender and securing the Interim Lender's share of Interim Financing, and will provide CDC with recorded copies of these releases.

[Option 3: Use only if SBA has approved allowing Interim Lender to assign its note and lien instrument to CDC, regardless of whether Interim Lender is the same as the Third Party Lender referred to in the Authorization.]

___ 7. Upon receipt, Interim Lender will apply the Net Debenture Proceeds to pay off the Interim Lender's share of Interim Financing stated in the Authorization. Interim Lender then will assign to CDC the note evidencing the Interim Loan, any guarantees, the lien instruments (including without limitation mortgages, deeds of trust, deeds to secure debt, trust indentures, UCC financing statements) in favor of Interim Lender and securing the Interim Lender's share of Interim Financing, and other documents securing the Interim Loan.

8. Interim Lender has disclosed to CDC all material information known to Interim Lender and necessary to ensure that this Interim Lender Certification is not misleading.

The persons signing below certify that they have been duly authorized to execute this Agreement on behalf of their respective party.
